Kingdom Life by Steve Boyd

Words of Gratitude

The friendships and fellowship of SBC church family has been a great blessing to Gerri, Ashley, Hannah and me. You have helped us raise our children. We have served together to grow the Kingdom of God. We have grown together in our love for God and for the communities in which we live. Together, we have decidedly become a missional church serving locally and abroad.

I thank you for shaping me and pouring into my spiritual life as a pastor. You have lovingly instructed, encouraged, corrected, and forgiven me. We have seen God's blessings and we have faced challenges together. I thank you for your partnership in the gospel. I ask forgiveness where I have failed, but am thankful for God's redemption and your steadfastness.

I want to affirm and give thanks for our staff. They are committed to Jesus as Lord and to His bride, the church. The staff (Matt, Angie, Jesse, Billy, Jill, Mollie, and Mike) work well together in a team-based organizational model of ministry. Each are uniquely gifted by the Holy Spirit and work diligently to build the Kingdom through the church. Your prayer support, consistent friendship, and healthy partnership with staff is critical to their leadership in the church. Each of them has a strong desire to honor our God and to be used daily for His glory. This staff has been a huge blessing to me, and I love each of them.

SBC is a wonderful fellowship of faith! I encourage you to welcome new guests and new members as a matter of top priority. The blessings and fellowship that you are receiving from this local body of Christ are those of which you definitely want to share with them. Be intentional to introduce and invite them to Jesus. Be a host that welcomes them to your small groups and ministries. Open your circle of friends to them.

Gerri and I love you with all our hearts. You are our family. We will never forget you and will always appreciate how you have cared for us during times of joy and sorrow. We pray God's greatest grace and blessings to you, your family, and OUR church. Even though we are leaving the fellowship of the church, we will ALWAYS consider SBC our church family.

Joy and Dignity at Christmas

The Christmas Village Toy Store provides a "hand up" for Shelby County families who want to purchase affordable new toys for their children at Christmas. Rather than simply giving a handout of toys to at-risk families, we believe in empowering families to purchase Christmas gifts for their own children.

We will be sponsoring a Christmas Village Toy Store on **Saturday, December 9** where families can come and shop for *new* toys at a discounted price. We are asking you as a church to help provide a dignified Christmas shopping experience for the families by purchasing new toys for the Christmas Toy Store.

This year the store will be just be held on one day and will be for children from birth through 5th grade. Jill Sowder will be leading the team. Please save the date as we will need LOTS of volunteers to help with moving toys the week before, setting up the store, helping our shoppers, and cleaning up.

Dear Church Family,

On behalf of the family of Betty Moore, we would like to extend our deepest and sincere appreciation for the prayers, support and acts of service and love extended to us during Betty's illness and greatest time of need in the past few months.

Words cannot express Betty's love for this church and the rich blessings she enjoyed here throughout the years.

Next Step Training Program

(vocational training program for young adults with autism)

Thank you for praying for our students and staff as we continue to pour into the current 7 students who are in the 16-week session that meets at the Warehouse as well as the several students we are working with on an individual basis! God has given us the opportunity to work with these students to instill in them positive character traits that will be good on the job and in life. We continue to look for job placements for all of our current students and love to see how God provides these all over the area from LaGrange to Shepherdsville to Shelbyville and everywhere in between!

We are still at the Simpsonville Farmer's Market on Saturday, Oct 7th and 21st from 9am – 12pm. Come out and join us for some great food, cutting boards, and brownie mixes!

Also, join us for a pickleball tournament fundraiser on Friday, November 3rd and Saturday, November 4th.

Gift Wrapping at the Outlet Shoppes between Dec 16th and 24th!
We will need volunteers as well as gifts to wrap!

Wow! What a wonderful church picnic and concert with Chris Golden. We are thankful for so many volunteers who helped with a wonderful time of fellowship for our church family and community. We encourage everyone to help us reach our Eliza Broadus goal that will go directly for mission opportunities that help spread the gospel of Jesus Christ. We also ask for prayer for Billy Bell, Kyle Parks, and Matt Maxwell as they leave for Kenya soon to visit the orphanage. We are excited for the report they will give upon their return, but please come together with us to pray for a safe trip for them. Our mission trip to Elkhorn City, KY is fast approaching and we invite anyone interested in attending to come to the informational meeting on September 24th @ 6PM, right after the ministry meeting. Stay tuned for more opportunities to serve, as the holidays are approaching! God is good!

Eliza Broadus State Mission Offering

Church Goal: \$2,500

Given to date: \$190

***100% of your giving supports our KY State Missionaries.
You can give through the regular offering or give online.***

The Eliza Broadus Offering provides funding for a variety of Kentucky Baptist ministries. Language missions, church planting, disaster relief, collegiate outreach, church and community missions, evangelism, Kentucky Changers, missions opportunities for children, and more receive funding through the Eliza Broadus Offering. EBO is sponsored by Kentucky WMU in partnership with the Kentucky Baptist Convention.

Mijomboni Orphanage

Both sides of the ocean are extremely excited about SBC making it's first visit to the Rescue Center! Please be in prayer for Matt Maxwell, Billy Bell, and Kyle Parks October 7-13 as they travel and meet our partners in Kenya.

Nathan shared that they had a visit from the health department in September and were asked to immediately make a secondary latrine and enlarge their kitchen. These projects were unexpected but were completed in good order along with the addition of a new poultry house and a new goat house. The former poultry house had been turned into a classroom.

Inflation continues to cause issues with the feeding program. The price of sugar has sky-rocketed. The tomato harvest (right) was very good and helped to spread their financial resources.

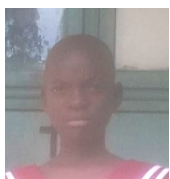

Elsa Akech is the new teacher. She is a trained P1 teacher, and has been teaching in the Kibera slums in Nairobi. She has been with the Center for several weeks and is proving to be an excellent teacher and a good fit for the students.

Nathan is still hoping to purchase an irrigation system to further the ability to produce food for both the Center and the community. The cost is \$2,300 and we raised \$900 of that through the gifts of Vacation Bible School! We have also received a gift of \$30 from a community individual, and a \$100 donation in memory of Betty Moore so we are hoping to raise the balance of \$1,270 before the end of the year.

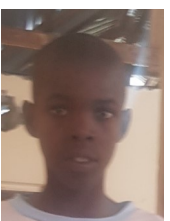

And please put your extra change in the Change for Change Plinko box in the foyer! We are \$77.71 shy of our \$300 goal for the year which provides a sponsorship of one child for a year.

New children in need of sponsorships.

Grace Mbeyun, Joseph Mwang, Serah Pendo, Elvis Amani

All four of these children were found in the Shakahola Forest in Malindi following the recent cultic activities resulting in the death of hundreds of people. Their single mothers are believed to have been victims of the cult which forced its followers to starve to death in readiness to meet their god. Exhumation of the bodies and DNA analysis is ongoing.

Amanai & Ronald

Amani is 5 years old and Ronald is seven years old. These two brothers are orphans following the death of their father who was killed by a hippo in the River Galana.

Sponsorships are \$25 a month or \$300 a year. Contact Angie in the church office.

Adventure Club

As a mission of SBC we would like to introduce you some of our ministry partners who serve at Adventure Club and ask that you pray for these individuals this month.

Tracey Moffett

Ms. Tracy Moffett has been a part of the Adventure Club family for 15 years and has worn many hats over that time. Within the last year she has decided to get back into the classroom and has been a great addition to our 4 year old teaching group. After preschool she can be found working as our Director and keeping things running smoothly behind the scenes. When she isn't at AC she enjoys spending time with family, shopping, and going to concerts. Something she is looking forward to this school year is watching the kids grow and learn new skills.

Megan Alfrey

Megan Alfrey has been a part of the Adventure Club family for 5 years and has been teaching in our part-time 3-year-old class for 4 years now. After preschool she is an extended care teacher for our students that stay for the afternoon. When she isn't at AC teaching and loving on students, she can be found spending time with her family, camping, traveling, and going to the lake. Something she is looking forward to this school year is the 3-year-old circus day later in the year and continuing to know her students and their families.

Adult Growth & Discipleship

DISCIPLESHIP

We have several people who attend our Discipleship classes regularly. Our hope is that you will find each of them to be engaging and a learning tool to grow your faith. Please enjoy this testimony from Carley Stein, who has attended all of the Wednesday classes!

I have been attending Wednesday night discipleship classes at SBC every week that I am able. These classes are able to dive a bit deeper and focus a little closer on certain topics than you have time for in your weekly Sunday School class. It's beneficial for brand new Christians as well as those who have been a follower for decades. I know that as a Christian, I will never stop learning how to be a better disciple no matter how many years pass. The added benefit of fellowship with such a wide variety of the church as been so encouraging. Learning and praying and worshipping next to people with different experiences and challenges and view points has been a true gift. Very grateful that this is offered at SBC!

Personal Evangelism Class

Our first Fall class was well received with a total of 52 different people attending each week. Four of those were from the community and ten were first-time participants in our classes!

Collectively, we are all heart-broken to be losing our Senior Pastor, Steve Boyd to the joys of retirement.

We would like to share just a little of what our beloved retiring pastor has led us through in his 32 years of serving us, just in case you weren't blessed to be walking beside him in those years.

- We went from this building on the left, complete with bats in the belfry, to our current building. In his time at SBC, Steve led the congregation through the multiple renovations of the old building frontage, the Family Life Center, and the completion of our new Sunday School and Discipleship space.

- We took our first international mission trips to Africa, Honduras, Guatemala, and Ecuador under his guidance.
- Our ministry in the community has increased a hundred-fold through his leadership. We have collectively served in these community ministries over the years: Whitney Young, AWAKE, homeless ministry, Men's & Women's Shelter, SIMPLY

Love, Operation Care, Serenity Center, Colonial Hall, Shelby Touched Twice, Simpsonville Fall Festival. His personal relationships with our community members and his availability to just chat or to give a little therapeutic advice, is such that it has become an earmark of his character. He also coached a large number of community t-ball and softball teams!

- We went from Operation Christmas Child boxes, to Kentucky shoeboxes, to EKY shoeboxes to the Christmas Toy Store under Steve's leadership.
- Began and grew Contemporary Worship service
- While pastor the church began and grew following legacy ministries: Adventure Club, 2 Hispanic church plants, A Loving Choice Pregnancy Center, Kenya orphanage, Community Ministry Center, built one church in Honduras and helped build one church in Guatemala.
- Built \$2.2M Multipurpose Family Life Center and \$4.3M Multipurpose Educational facility
- Church purchased four parcels of land (\$700K) to support growth of ministry
- Developed church to six full-time staff and dual budgets of \$1.7M
- Four individuals from the church went into full-time ministry/missions
- Church grew to give \$100K annually to support Christian missionaries worldwide

Fun stuff

- Steve & Gerri raised two beautiful daughters here, although we will need to resort to Facebook to see the basketful of grandchildren grow up!
- When we started our first Bunco group it took a year for him to approve it, but he finally gave the ok and it has brought so much joy to our ladies.
- We started serving coffee! Despite the fact that Steve doesn't drink it, he saw the value of fellowship via the coffee cup.
- He led us through the trauma of Covid that came with all the drama of shut-downs and masks.
- He married and baptized hundreds of us, our children, our grandchildren.
- We went online with our worship services and his teaching is now accessible world-wide!
- He allowed us to dance in church with the first Father Daughter Dance in 2013.
- We began having our annual church family Thanksgiving dinner.

In closing, looking at the young Steve Boyd and the 32 years later Steve Boyd-there is not much difference and very little gray hair. Which really means that we as a church have been a delightful part of his life!

We know you will want to stay in touch with Steve as he plans his next adventure.

Cards can be sent to his home address at 612 Crum Court Simpsonville KY 40067. Please encourage him with your prayers.

REVIVAL PRAYER GUIDE Simpsonville Baptist Fall Revival – November 12-15

"If my people who are called by my name will humble themselves and PRAY..." -2 Chronicles 7:14

Revival only comes through prayer: prayer is by God's people. Please set aside time to pray earnestly and fervently for the coming revival services. As we earnestly pray for revival there is no doubt that the spiritual battles will increase in frequency and intensity. We must remain diligent and faithful in concerted, constant, and consistent prayer.

What to Pray For:

1. Your Pastoral Staff, Deacons, and Leaders
2. Revival to start in You!
3. Revival in your Family
4. Revival in the Church
5. Evangelist, Jon Reed – His physical and spiritual health, and the anointing of the Holy Spirit, the messages that will be brought.
6. The revival worship leaders, singers, musicians
7. Young people in your area

8. Church members that are out of church (pray by name)
9. Unchurched people to be reached with the Gospel.
10. Lost people to be saved (pray by name when you can).

"Revival is a divinely initiated work in which God's people pray, repent of their sin, and return to a holy, spirit-filled, obedient love relationship with God" -Henry Blackaby

Copies of the entire prayer list are located in the foyer.

SBC STUDENTS

We are excited to join Christ Community and Highland Baptist for the second annual Unplugged Fall Retreat at Crossings Cedarmore October 13th-15th. Students' 6th-12th grade are encouraged to join us for a weekend focused on "Life in the Spirit." We will learn about the purpose of the Holy Spirit, the power of the Holy Spirit, and the practice of the Holy Spirit in our lives. This is a great opportunity for our students to fellowship with other student ministries and meet fellow believers in theirs.

Students must sign up by Friday October 6th, and the cost is \$100.

THE TITUS TEN

FOUNDATIONS for GODLY MANHOOD

Everything in a man's life hinges on the kind of man he is.

Yet, none of us is naturally a godly man. That's something we have to learn, pursue, and cultivate. We need a manual to help us.

This book is a manual for becoming the kind of man God intends for you to be, and leading other men to do the same. Taking ten qualities from the Apostle Paul's short letter to his mentee Titus, *The Titus Ten* will help you grow in your understanding of the gospel, your identity, your character, your doctrine, and more. Each chapter includes questions for reflection and discussion, to both process the way the Lord is growing you, and read in a group with other men. As you grow in these areas of your life, you'll become the kind of man God desires to use in your family, your church, and the world.

Campus Security Reminder

It is exciting to have so many classes meeting on campus! We know it can be frustrating to wait until the door is answered but please remember that the staff needs to check the security cameras when the bell is rung, and press the entry button and there is a delay between each step. We also need to walk from the other side of the building. Please be patient with us.

Classic Worship Testimony

Dixie Taylor was recently in an Advisory Council meeting at Simpsonville Elementary with Magistrate Charlie Metzger. As they were wrapping up, Charlie said, "Dixie, I need to share something with you. Do you remember my uncle Chuck Metzger whom I was bringing to Classic Worship with me before Covid?"

She responded that she remembered him fondly as he was so enthused to be with other seniors and singing the old hymns and hearing God's word in a personal way. Charlie then shared, "Well, for him, Classic Worship was the first baby steps of my uncle coming back to his faith in Jesus Christ and renewing his commitment. Tragically he passed away in 2021, but he was so close to God and went in peace."

Testimonies like this are what it is all about! Just tell the Good News!....no, tell the BEST News!

GROWING SELFLESS TOTS BY Kim Laureen

Parenting is not for the faint-hearted and raising children in this age of technology brings with it many challenges. Gen-Z was the first to never have known life without iPhone in hand, internet, and social pages. Now we are experiencing a tsunami of anxiety and narcissism. We can't be sure yet what the future holds for toddlers on screens - but it's a scary thing. As people fall deeper into the meta-verse it becomes even more crucial for parents to hold on to interactions of the human kind with their children. This four-part study series is based on the award-winning documentary selfless. Come along as we explore planting roots, how blue light is affecting the eyes, social media influencers, and the value of Growing selfless Tots. Parents your children learn from you and look to you from their very beginning. Perhaps its time to ask yourself - what do they see?

God's Heart to Eradicate Trafficking by Safe House

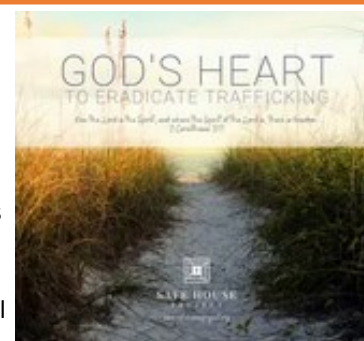

Sex trafficking has one of the greatest footholds on humanity. Every year, hundreds of thousands of Americans are trafficked every year right here in our backyard. Vulnerable girls, boys, women, and men, from the youngest child to the elderly. Less than 1% of those being victimized are ever identified.

In Matthew 16:13-20 we see Jesus declare his victory over this evil as he stood above the caves in Caesarea Philippi, known as the "Gates of Hades," where children were ritually sexually abused as part of pagan worship. In Matthew 16:18-20, Jesus says, "And I tell you that you are Peter, and on this rock, I will build my church, and the gates of Hades will not overcome it. I will give you the keys of the kingdom of heaven; whatever you bind on earth will be bound in heaven, and whatever you loose on earth will be loosed in heaven."

Above the caves where individuals were being trafficked, Jesus declared and decreed that it was on that rock he would build his church. Jesus did not allow one ounce of darkness to remain, but rather commanded his church to go on the offensive against the greatest manifestations of evil in our world. That declaration has not changed. Jesus is still commanding us to build his church, empower believers, and operate in the power of the Holy Spirit to attack the gates of Hell. He has given us the ability to humbly submit ourselves to Him, act in obedience to His calling, and through the wisdom and discernment of the Holy Spirit, be given the divine strategy to face human trafficking head-on.

We will hear several testimonials from different speakers, most notably from Sarah, one survivor of Domestic Minor Sex Trafficking. Sarah is Safe House Project's Survivor Content Creator. She has been working in the anti-trafficking movement for the past 3 years, having spent the last year with the Safe House Project. She sits on the board for a state survivor's council, has been a consultant for several nonprofits in the field, and is the author of 2 books. Every day she works toward eradicating sex trafficking so that no child has to endure what she did as a child.

Come with us on this journey to understand God's heart to eradicate trafficking, to see the captives set free, to see people healed, and to see revival in our land. Will you join us?
