## **Summer Bible Study**

Discover God's Plan for Revival & Spiritual Awakening.  
In this study, we will examine a brief history of  
Revival & Spiritual Awakening in America and the Bible.

We will seek to answer some questions about  
Revival and Spiritual Awakening including:

1. What is Revival?
2. What are some Biblical and Historical Revivals and Spiritual Awakenings?
3. Why do we need Revival?
4. What is God's Pattern for Revival?
5. Why is Prayer & Repentance so important?
6. Can God use ME to Spark Revival?

Study will begin late June. More info to come.

Facilitated by Billy Bell.

How does God resource His church for strength of mission, purpose, and Biblical unity? In the previous four months' articles, we have briefly recognized God's blessing and our equipping through the Bible, Christian fellowship, worship and serving. Next, we receive God's blessing through making disciples who make disciples. We know this spiritual discipline or habit as discipleship.

Through SBC's recent "Every Church on Mission" discipleship class, we discovered that while the church teaches Bible stories and some doctrine, few classes are involved in actual training for doing the gospel, being the gospel, and telling the gospel. The misnomer was that SBC, and many churches, have made disciples by only teaching the Bible. We need to be trained. We need to practice. We need to go, serve, tell, share, give, and pray. Go, into all the world making disciples (Matthew 28:19-20) is written in the essence of discipling and mentoring others as you are going. It's like the old concept of "on the job training."

One truth we can embrace is that we "train" disciples in church and home to go into the world to "make" disciples. Training topics for spiritual formation include:

- \* Praying
- \* Interpret the Bible
- \* Gospel Conversation
- \* Defending the Gospel
- \* Humble Service.
- \* Kingdom Missions
- \* Christian Leadership
- \* Biblical Manhood
- \* Biblical Womanhood
- \* New Christian

We often relegate discipleship to a classroom or Bible study activity. The act of making disciples is not only gaining knowledge of biblical facts, but also taking the message of those truths from Jesus to an unbelieving world in a manner that draws others to Him. We can learn Bible stories and facts every week, and not be effective as a Christian or a church because we can't or won't apply that life of Christ daily in our world.

Who are you training, mentoring, and discipling? Is our staff teaching and preaching the practical implications of "how to live" the gospel in our world? Is your Sunday School class or small group Bible study training others to be missionaries to our world? How can we be more effective as a church? The old adage is "everyone needs a Paul and everyone needs a Timothy." We all need to be mentored, and we all need to mentor others. Pray that God will help us improve in this vital area of Christian life.

Our church will become far more effective for His kingdom when we realize and actualize the fact that God teaches us to Make Disciples who Make Disciples. This IS the resource of being light and salt in the world. This is the being of the gospel, the dining of the gospel, and the telling of the gospel! It is the resource of Christ in Us the Hope of Glory! We are trained and disciplined to walk in the Spirit and live the fruit of the Spirit every day. What a blessing and what a resource we are to one another.

## **Finance Team**

Are you connected in the Church? Are you in a Sunday school class? Are you new to the Simpsonville community? If you are new to the area and don't feel connected, I would personally like to meet you and introduce myself. I believe, just as Simpsonville Baptist Church believes, that we should do life together. We are the Church. And the community should see the Church in us. I would love to be able to help you get involved in a small group or be able to get you connected with an organization in the community.

I always tell my children that money is a by-product of what you do. So don't chase the money, chase your passion, and God will bless you with what you need. We so often make our decisions based on the dollar. And what we think is good enough at the time is only good for a short period of time. Then we think we need more. But if our time is filled with joy, passion, and love, then we are satisfied with how we are rewarded. HE knows what we need and don't need. HE has commanded us to go out and spread the Word. That is our Commandment. Finance is always a hard discussion to have. No one likes to be told what to do with their money. God watches what we do with our finances. If we can't handle \$100 dollars he has blessed us with then why would he bless us with more. After years of good stewardship we are blessed to be a financially sound church. And as we continue to grow, we are additionally blessed by the unconditional tithing made by our members and guests. I encourage you to pray and fast on how God wants you to spend your time and money. I'm honored to be the Finance Chair, and always open for discussion on opportunities moving forward. Please feel free to reach out anytime.

Through your giving, SBC supports Sunrise Children's Services.

Sunrise has been at the forefront in the fight to protect Kentucky's children since 1869.

At the close of the Civil War, families in Kentucky were left devastated. As a border state with torn loyalties, Kentucky saw families split and broken by the conflict. Death, sickness, and the poverty that followed left many children orphaned with no one to care for them. Since their beginnings as a ministry, Sunrise continues to be fueled by a faithful dedication to God's call for His people to be the hands and feet of Jesus in caring for innocent children. They have helped to transform thousands of lives over the years, and your continued support enables them to make a difference in lives today and for years to come.

Today, Sunrise is a home for children who have been abused and neglected — children whose lives have been scarred by unspeakable physical, sexual, and emotional abuse — and who have been removed from their homes. From the president of the organization down to the direct care staff, their goal every day is to provide a place of refuge, of hope, of love, and of healing to these children whose lives have been devastated. For these children, Sunrise is a place where they can begin to feel safe, a place where they encounter adults who give unconditional love, and a place where they can begin to learn that the world can be a good place.

Foster Parents Needed

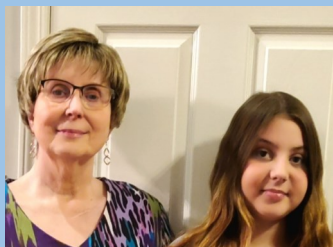

Are you interested in becoming a foster parent in Kentucky through Sunrise Children's Services? On any given day, there are more than 400,000 children in foster care in the United States. Despite the common perception that the majority of children in foster care are very young, the average age of a child in care is around 8-9 years old.

In 2016, more than 65,000 children who were living in foster care and waiting to be adopted, had their biological parental rights permanently terminated. And, while states should work rapidly to find safe, permanent homes, children spend an average of nearly two years waiting to be

**Mijomboni Orphanage Update**

The orphanage has proven to be a light on a hill as reports are coming in from Malindi regarding the deaths of hundreds from cults in the area. Education is the key to changing lives. With this in mind, Nathan would like to begin a new program which would benefit both the Rescue Center and the community. He would like to introduce drip irrigation and the use of shade netting/greenhouses. Both would be used to increase food production and allow the Center to begin selling food AND require them to purchase less. Community families would also benefit from learning how to produce their own food. Projected costs for both projects is a little less than \$9,000.

Please continue in prayer for Nathan and Lillian Osiemo. Their son Tyler Frank was tragically murdered while at University as a 3rd year medical student. Additionally, Lillian has become ill. They have two other college-aged children, Russel and Elvera who are deeply grieving the loss of their brother.

Emerson Hefner is filling our Change for Change plinko box. Your gifts of change are quickly adding up and the funds pay for the rising inflationary costs of food for the Center.

We have all the children sponsored now! Additional gifts received will support the new agricultural projects.

### SBC Marriage Minute - Pray Together Daily

#### Plugging In

**"Do not be anxious about anything, but in everything by prayer and supplication with thanksgiving let your request be made known to God. And the peace of God, which surpasses all understanding, will guard your hearts and your minds in Christ Jesus." Philippians 4:6-7**

When building something complex like a house, you wouldn't choose only hand tools that depend on your muscles to do the job. You'd also choose power tools that plug into an electrical power supply. Then you could do the work effectively and efficiently.

Is there anything more complex than parenting? And is God not our power source? With His help we can parent much more effectively than we ever could on our own. One of the greatest ways to plug into God's power is through prayer. Through faithful and consistent prayer, we can find wisdom and guidance for parenting and achieve far greater results in the lives of our children than any words we might speak or lessons we might teach.

Commit to praying daily for your needs as a parent, and for your children.

#### Prayers for parents

- Thank God for the gift of prayer.
- Pray that God will use these prayer times to draw you closer to Him and to guide you in your parenting.
- Pray that God will make your children responsive to your love and guidance, and that He will keep you sensitive to their needs.

## Building Report

When you talk about the days and time flying by, you often think about the many tasks you have to complete. With just a month left to finish the building addition, there are many tasks on the schedule. It has been a fun journey to get to this point.

This is always the exciting point as colors begin to go on the walls and lighting begins to shape the areas. The technology, decor, landscaping, parking lot teams and staff are all putting in the extra time needed to ensure a successful completion. As with any project there have been changes along the way. But even with the changes, everyone was able to work together to keep moving forward.

Thank you to everyone who has devoted their time to praying for this building and these people. God is doing big things in Simpsonville. We can't always see the BIG picture, but we know it is being shown to us on HIS time. During certain times over the next few weeks I ask for patience as we deal with different activities to tie the two buildings together. We look forward to opening the new space near the end of June.

# Sunday School

Each month we are highlighting one of our incredible Sunday School teachers.

## Teacher Spotlight: Linda Otterback

**How long have you been teaching Sunday School?** I have taught Sunday School classes most of my life! As a teenager I taught in the Methodist Church, while in Germany my husband Larry and I taught teens at the Army base and continued with young married couples and adult classes at our church in St. Matthews. I began teaching our ladies' class at SBC in January of 2021.

**How did you get your start teaching Sunday School?** I watched my Dad read his Bible every morning at 4am before going to work. I guess I picked it up naturally as my mother was a prayer warrior who constantly prayer for her eight children and others. I have always had a desire to know what The Word says to me personally.

**What do you like most about teaching?** I love teaching and sharing what God has told me through His Word during my preparation. Listening to God and Seeing Him throughout the day brings an awareness of purpose. I love telling stories of what He had done and how we each benefit if we open our ears and heart to Him by sharing with one another.

**Describe your teaching style?** We discuss and dissect the pastor's sermon and Scripture from the morning's worship service. We take prayer seriously and sometimes we linger in prayer for specific requests or surround each other in a circle of prayer. We love music and sometimes end in an appropriate song for that lesson and let the Spirit lead in closing.

**What is the name of your class?** SONrise Ladies

**Why did the class choose that name?** That was the sign which was on our door when we began! My ministry is EKY SONrise so guess that was the official name!

**Tell us about the makeup of your class.** We are ladies ranging in age from 50-80. We are single, widowed, divorced, never married, grandmas, aunts, retired or still working and want to retire. We average 8-10 weekly, but have 15 on the role. Often, our class members serve in the children's and youth departments during Sunday School.

**What would you tell potential visitors to your class?** We are a unique group. We show our love for one another; "When one hurts, we all hurt, when one rejoices, we all rejoice!" We love, care for, pray, cry, laugh together often and bond through activities and missions. There is real JOY in being with each other and laughing together!

**Our mission projects have been:** Sunrise Children's homes for Christmas, The Hope Collaborative in Louisville for refugees, Muslim Christmas party for 75 children, and a Spring ladies' Hindu party with luncheon. We support two Kenyan children in the orphanage each month. Of course, many have been to EKY on mission trips. We collect items when needed for various ministries and are currently collecting for the SONrise Revival which will be held July 28-29 of this year.

**Our Truth4Life Sunday School class spent a day touring Winstar Farms in Lexington.**

**Adult classes please send us pictures of your fellowship events!**

**Judy & Butch Pfister**

**Judy:** My husband Butch of 41 years and I raised our three children in Winchester and moved to Finchville five years ago to be near our son and 2 grand-daughters in Louisville. We were members of Central Baptist

Church in Winchester for 30 years where Butch served as a Deacon. We travel to Charlotte, NC to visit a one year old grandson every month, so we are on the road a lot. We trail ride our sweet Tennessee Walking Horses a couple times a week and are planning a trip to a Dude Ranch in AZ this fall! I am very blessed to have grown up in the mountains of eastern KY. My career has been a Dietitian Consultant in long-term care homes and am nearing retirement. We are in Lowell Ashby's SS class and have felt very welcome and loved at SBC the past 3 years.

**Butch:** As our children grew up, I coached T-ball, Little League and Soccer; and while all three were in high school we traveled and served meals to the GRC marching band for ten years. I played baseball at Pikeville College and started working for AT&T there and recently retired as an Engineer after 44 years. I grew up in the farm country of Lynchburg OH, where I was a member of a Christian church. I am looking forward to golfing with my 11 year old grand-daughter this summer and enjoy the SBC church golf league.

**Barry & Sarah Mattingly**

We are Barry, Sarah, Henrik (5) and Jay (2) Mattingly, with a third on the way! Barry does IT at Texas Roadhouse, Sarah is a stay-at-home mom (looking into homeschool if anyone has any advice), and Henrik will be starting Kindergarten in the Fall. We moved back to Louisville in 2021, started at SBC in early 2022, and moved to Shelbyville in 2023. We enjoy beach houses and loved our vacation a couple years ago to the Florida Keys. We look forward to our walks with Christ here as we grow with you in our faith. May we be known by our fruits, and known by our love for each other.

The Mattingly's attend our Multiply Young Couples Class.

**Bryce Allen**

Bryce came into Christ on November 13, 2020. Since Bryce has been in Christ, he has been living in 4 states the past three years! He is looking to settle down in either Kentucky or Virginia and continue his electrical career and schooling.

His family currently resides in Culpeper, Virginia, and also in Grafton, Illinois. Horses have been a part of his life since he was a child. His father served in the Air Force and because of this, he traveled a lot, including overseas!

Bryce is truly honored to be a member of the church and is looking to serve in any way he can! He attends our SALT Sunday School class.
